Conservatory
of Music

CONSERVATORY OF MUSIC

Music programs in the College of Creative Arts focus on the development of academic competence, professional skills and critical and creative abilities. The programs aim to spearhead the advancement of music and music education in Malaysia and on the international front through creative music learning-teaching strategies and cutting-edge music research.

DIPLOMA PROGRAMS

CAMU110 | Diploma in Music

The Diploma in Music is a two- and a half-year preparatory music program. Instruction is provided for both the practical and theoretical components of music to introduce students to the fundamentals of music theory, aural training, history, vocal or instrumental studies, as well as provide students with performing opportunities in solo and group settings such as traditional ensemble, modern ensemble, orchestra, and choir.

Duration:
5 Semesters (2 ½ years)

Conservatory of Music
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAMU111 | Diploma in Digital Audio Production

The Diploma in Digital Audio Production is a program that focuses on fundamental knowledge and skills in the field of digital audio production. This two-and-half-year program combines classroom-based learning with Work-Based Learning (WBL) activities through apprenticeship programs with the industry in the hopes to enhance students' learning experience. Students will be able to develop their skills and creativities in audio recording, mixing, sequencing, sound designing, and audio production among others.

Duration:
5 Semesters (2 ½ years)

Conservatory of Music
• College of Creative Arts,
UiTM Shah Alam, Selangor

BACHELOR PROGRAMS

CAMU220 | Bachelor of Music Education (Honors)

This program combines the intensive study of music-teacher education with practical experience in the local school classroom and other educational settings. A niche of the programme is its focus on the three areas of music, music education and education as well as on music technology applications in education.

Duration:
8 Semesters (4 years)

Conservatory of Music
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAMU221 | Bachelor of Music Composition (Honors)

This program offers students a choice of concentration areas in either Popular Music or Art Music. This three-year program will provide students with the opportunity to explore their musical ideas and own compositional voice through exposure to a diversity of musical styles, theory, and literature including orchestral techniques, counterpoint & tonal structure, new music, arranging, film scoring, and music technology.

Duration:
6 Semesters (3 years)

Conservatory of Music
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAMU222 | Bachelor of Music Performance (Honors)

This program focuses on developing the skills of students in their principal instrument through solo and group performances as well as the theoretical components of a music program such as analysis and an academic project paper. Students will participate in international and local performances, masterclasses, workshops, lessons, and lectures-recitals featuring both local and international musicians.

Duration:
6 Semesters (3 years)

Conservatory of Music
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAMU223 | Bachelor of Music Business (Honors)

This program enables students to develop a critical understanding of expectations and requirements in the music business and management environments by means of course work in business leadership and ethics, case studies, and distinguished guest lecturers. The capstone project in this program will focus on simulated and actual work environments, especially on the key verticals required of music industry entrepreneurs and professionals.

Duration:
6 Semesters (3 years)

Digital and
Imaging Arts

DIGITAL AND IMAGERY ARTS

From gum wrappers to billboards, photography to cinematography, film and animation production, to advanced creative motion design, this versatile digital and imaging arts comprises many aspects of visual communication.

DIPLOMA PROGRAMS

CAAD111 | Diploma in Art & Design (Graphic Design & Digital Media)

The program focuses on technical knowledge and practical skills in graphic topics such as imaging (photographic, graphic design, illustration), typography (the style, size, and arrangement of letters), textures, lines, and colours. It also focuses on comprehensive lectures and design software training on the practical skills in graphic design.

Duration:
5 Semesters (2 ½ years)

Digital and Imaging Arts

- College of Creative Arts, UiTM Merbuk, Kedah
- College of Creative Arts, UiTM Kampus Bandaraya Melaka, Melaka
- College of Creative Arts, UiTM Lendu, Alor Gajah, Melaka
- College of Creative Arts, UiTM Seri Iskandar, Perak
- College of Creative Arts, UiTM Kota Samarahan, Sarawak

CAAD117 | Diploma in Photography and Creative Imaging

This program was developed through conventional features of photography's past to contemporary digital means of desktop publishing. Students will be exposed to photography through comprehensive fundamental training in technical aspects to produce high-quality imageries.

Duration:
5 Semesters (2 ½ years)

Digital and Imaging Arts

- College of Creative Arts, UiTM Seri Iskandar, Perak
- College of Creative Arts, UiTM Lendu, Alor Gajah, Melaka

CAAD120 | Diploma in Art & Design (Printing Technology)

This program emphasized management and administration skills, besides current aspects of printing technology. It includes commercial printing, packaging, publishing, marketing, distribution, and technology development.

Duration:
5 Semesters (2 ½ years)

Digital and Imaging Arts

- College of Creative Arts, Puncak Alam Campus, UiTM Selangor, Selangor

CAFF111 | Diploma in Film

This program is designed for aspiring filmmakers and focuses on hands-on training in various film and television genres. Despite the focus on the artistic parts of a film, exposure to all levels of digital film productions may help and enable students to develop a better understanding of filmmakers' and digital content creators' professional experiences.

Duration:
5 Semesters (2 ½ years)

Digital and Imaging Arts

- College of Creative Arts, Puncak Perdana Campus, Selangor

CAFF115 | Diploma in Animation

This curriculum focuses on the principles of creating 2D, 3D, and still-motion animation. The curriculum framework will also include courses on the fundamentals of animation characters, backgrounds, and narratives.

Duration:
5 Semesters (2 ½ years)

Digital and Imaging Arts

- College of Creative Arts, Puncak Perdana Campus, Selangor

PROGRAMS OFFERED @CCA

BACHELOR PROGRAMS

CAAD230 | Bachelor of Printing Technology (Honors)

The bachelor program emphasises combining the managerial, administrative, and technological aspects of printing with creative application on other substrates such as paper, tin and aluminium, plastic, glass, and fabric. These include printing in advertising, publishing, packaging, distributing, marketing, and developing technologies.

Duration:
6 Semesters (3 years)

Digital and Imaging Arts

- College of Creative Arts, Puncak Alam Campus, UiTM Selangor, Selangor

CAAD233 | Bachelor of Creative Game Design (Honors)

This intensive program is designed to prepare the students for the high demand and requirements of the game industry. Professional designers must rely on both their creative abilities and the needs of the corporate world, which is why this program will introduce students to the necessary managerial and entrepreneurial skills.

Duration:
6 Semesters (2U11 – 2 years in university, 1 year in industry)

Digital and Imaging Arts

- College of Creative Arts, Puncak Alam Campus, UiTM Selangor, Selangor

CAAD234 | Bachelor of Creative Motion Design (Honors)

This program aims to produce graduates in Creative Multimedia that focus on the mastery of Motion Design by applying computer graphics technology. With the introduction of the Work-Based Learning (WBL) concept, also known as 2u1i, the programme will ensure that graduates have technical skills and knowledge as well as a high value in soft skills, sustainability, and career continuity. Graduates of this program will be exposed to the latest developments in the smart technology industry and entrepreneurship to encourage them to be prepared for rapid

technological changes and be independent after graduation.

Duration:
6 Semesters (2U11 – 2 years in university, 1 year in industry)

Digital and Imaging Arts

- College of Creative Arts, Puncak Alam Campus, UiTM Selangor, Selangor

CAAD241 | Bachelor of Graphic Design (Honors)

This program covers many facets of graphic design and communications today. It is divided into four (4) different majors: Graphic Design, Advertising, Illustration, and Multimedia. The program will concentrate on the creative and technical approaches of producing a design that can communicate effectively without neglecting the facts and theories of art, design and communications.

Duration:
6 Semesters (3 years)

Digital and Imaging Arts

- College of Creative Arts, Puncak Alam Campus, UiTM Selangor, Selangor
- College of Creative Arts, UiTM Seri Iskandar, Perak

CAAD247 | Bachelor of Creative Photomedia (Honors)

This program prepares the students to explore the world of professional photography. Through advanced technique courses to the critical thinking process, students will be exposed to visual literacy in evaluating and understanding images and their implementation. This program equips students aesthetically, technically, professionally for the future in photography.

Duration:
6 Semesters (3 years)

Digital and Imaging Arts

- College of Creative Arts, Puncak Alam Campus, UiTM Selangor, Selangor

CAFF230 | Bachelor of Film (Honors) Film Directing

For individuals who have a passion for filmmaking, this program allows them to work in the film industry at the end of their studies. Pre-production through post-production stages of filmmaking will be covered in depth by industry professionals and academics who bring a wealth of expertise to the table.

Duration:
6 Semesters (2U11 – 2 years in university, 1 year in industry)

Digital and Imaging Arts

- College of Creative Arts, Puncak Perdana Campus, Selangor

CAFF231 | Bachelor of Film (Honors) Cinematography

Students in this programme learn theoretical and practical aspects of cinematography and image-making for film production, such as operating a professional motion camera, cinematic lighting, and working with digital motion pictures. This curriculum integrates digital filmmaking, film lighting theories and practices, and sound technology to produce a cinematic masterpiece emphasising cultural values and artistic expression.

Duration:
6 Semesters (2U11 – 2 years in university, 1 year in industry)

Digital and Imaging Arts

- College of Creative Arts, Puncak Perdana Campus, Selangor

CAFF238 | Bachelor of Animation (Honors) 2D Animation Production

This program emphasises the creation of two-dimensional animation via digital animation drawings in studios and two-dimensional computer laboratories. Additionally, this program will introduce students to industry-standard software to meet the requirement of the job scope.

Duration:
6 Semesters (2U11 – 2 years in university, 1 year in industry)

Digital and Imaging Arts

- College of Creative Arts, Puncak Perdana Campus, Selangor

CAFF239 | Bachelor of Animation (Honors) 3D Animation Production

The course will expose students to the 3D animation production process by creating 3D animated characters using screenplays, narratives, storyboard drawings, backgrounds, ideas, and concepts linked to animation storytelling. Moreover, students will understand animation principles via the usage of 3D computer laboratories and cutting-edge 3D software.

Design Study

DESIGN STUDY

A multi-disciplinary field that includes textile design, metal contemporary, jewelry, industrial ceramic, fashion design, transport, furniture, product design, and many more concerning aesthetics, innovation, sustainability, and technological advancement.

BACHELOR PROGRAMS

CAAD242 | Bachelor of Textile Design (Honors)

This program is divided into three (3) different disciplines - Fibre (Art & Weaving), Printed Textile, and Batik/ Resist. The course concentrates on the creative and technical approaches of producing those 3 disciplines in textile design, which synchronizes effectively, without neglecting the facts and theories of the art design and communications.

Duration:
6 Semesters (3 years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAAD243 | Bachelor of Contemporary Metal Design (Honors)

This program is created to nurture students' personal creative, industrial, and entrepreneurial skills related to jewellery and metal design. Students are encouraged to explore progressive concepts, use new materials, and develop new techniques. In the curriculum, the students work with all sorts of materials primarily metals, including gold, silver, copper, brass, and aluminium to produce conceptual and functional jewellery and metalware. Students will use 2D and 3D software tools for designing, and CNC machining to produce artworks. These skills help students working in many other fields and produce a substantial quantity of high-quality work for their professional portfolios.

Duration:
6 Semesters (3 years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAAD244 | Bachelor of Industrial Design (Honors)

This program is mainly focused on methods of analysing problems, idea translation and creativity, as well as visualization, presentation, and communication. Students will be exposed to design thinking, design methods, manual dexterity, technical drawing skills, self-discipline, conceptual vision, understanding and knowledge of applied engineering principles, human factors/ ergonomics, aesthetics, industrial materials and processes, and digital computer-aided design within product, furniture and/or transport and new design frontiers.

Duration:
6 Semesters (3 years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAAD245 | Bachelor of Industrial Ceramics (Honors)

This is a specialized program that provides the expertise and knowledge for an in-depth depth of Industrial and Studio Ceramics. Students are encored to actively engage in personal research as an integral part of their studies and to use the technology of ceramics as an inventive and creative way for designing and manufacturing clay-based products.

Duration:
6 Semesters (3 years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAAD246 | Bachelor of Fashion Design (Honors)

The bachelor program is emphasized broad-based training in creativity and design, with the technical and production processes, which are supported by theoretical knowledge to encourage creativity and innovation. Graduates are prepared to participate in related areas of fashion design, entrepreneurship, costume, and clothing industries.

Duration:
6 Semesters (3 years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAAD290 | Bachelor of Textile Design (Honors) and Bachelor Science (Honors) Textile Science and Fashion Technology

A double degree program that focuses on producing textile designers with expertise in textile science, entrepreneurship, art, and textile management. Students will proceed with their second degree upon completion of a minimum of 120 credits of the first degree, and eventually 177 credits upon graduation. Best suited for ambitious and competitive candidates who fulfill the admission criteria for both programs.

Duration:
9 Semesters (4½ years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

CAAD291 | Bachelor of Fashion Design (Honors) and Bachelor Science (Honors) Textile Science and Fashion Technology

A double degree program that focuses on producing fashion thinkers and experts in textile science, entrepreneurship, art, and fashion management. Students will proceed with their second degree upon completion of a minimum of 120 credits of the first degree, and 177 credits upon graduation. Best suited for ambitious and competitive candidates who fulfill the admission criteria for both programs.

Duration:
9 Semesters (4½ years)

Design Study
• College of Creative Arts,
UiTM Shah Alam, Selangor

DIPLOMA PROGRAMS

CAAD112 | Diploma in Art & Design (Textile)

The curriculum covers the technical knowledge and practical skills in textile design which consists of 3 disciplines (weaving, printed textile, and batik/resist). This program also emphasizes comprehensive textile studio and textile/ fashion design software, training on the practical skills relevant to the needs of the industry.

Duration:
5 Semesters (2 ½ years)

Design Study
• College of Creative Arts, UiTM Machang, Kelantan

CAAD113 | Diploma in Art & Design (Fine Metal)

This program will expose students to several aspect of studies such as workshop practice, history, theory-based metalwork, through design, business and marketing. Students will learn the basic skills in crafting metal products and as they progress, they are required to explore design concepts related to other aspects such as costing, design management and entrepreneurship.

Duration:
5 Semesters (2 ½ years)

Design Study
• College of Creative Arts, UiTM Machang, Kelantan

CAAD114 | Diploma in Art & Design (Industrial Design)

This program prepares students to be industrial designers through practice of design fundamentals within product, furniture

and/or transport as well as relevant applied industry. They are trained to provide total design solutions that harmonizes high-quality aesthetics, technology, ergonomics requirement, efficient user interface, as well as good market consideration.

Duration:
5 Semesters (2 ½ years)

Design Study
• College of Creative Arts, UiTM Merbuk, Kedah
• College of Creative Arts, UiTM Lendu, Alor Gajah, Melaka

CAAD115 | Diploma in Art & Design (Ceramic)

This program introduces general philosophy, principles, practices, and techniques in ceramics art and design via devised projects; supplemented by a planned series of visitation to factory as well as small and medium scale ceramic production centres to expose the students to the applications of knowledge in the fields of ceramics.

Duration:
5 Semesters (2 ½ years)

Design Study
• College of Creative Arts, UiTM Seri Iskandar, Perak

CAAD116 | Diploma in Art & Design (Fashion Design)

This program offers to develop skills in fashion design, pattern making, garment making, and embroidery. Students will develop their own sense of design and style for technical and production processes, which are supported by theoretical knowledge that encourage the combination of creativity and technical know-how.

Duration:
5 Semesters (2 ½ years)

Design Study

Fine Art

FINE ART

Fine art is the study and the making or expression of visual art. Artists create art to communicate ideas, thoughts, or feelings, primarily for aesthetics or concept.

DIPLOMA PROGRAMS

CAAD118 | Diploma in Fine Art

It is a studio-based program designed to provide extensive in-depth studies towards personal development for those who wish to pursue an interest in fine art. In this program, students will have the opportunity to intensively explore the various field of specialization emphasizing the development of studio skills related to painting, drawing, printmaking, and sculpture.

Duration: 5 Semesters (2 ½ years)

Fine Art Study

- College of Creative Arts, UiTM Seri Iskandar, Perak
- College of Creative Arts, UiTM Machang, Kelantan
- College of Creative Arts, UiTM Lendu, Alor Gajah, Melaka
- College of Creative Arts, UiTM Kota Samarahan, Sarawak

BACHELOR PROGRAMS

CAAD228 | Bachelor of Fine Art (Honors)

This program offers an advanced research program - majoring in painting, printmaking, and sculpture. It aims in developing the students' ability to conduct independent research work through effective communication and professional skills as competent artists. Students should showcase a body of creative works beyond boundaries in exploring new concepts, materials, and techniques.

Duration: 6 Semesters (3 years)

Fine Art Study

- College of Creative Arts, UiTM Shah Alam, Selangor
- College of Creative Arts, UiTM Seri Iskandar, Perak

CAAD232 | Bachelor of Visual Culture Study (Honors)

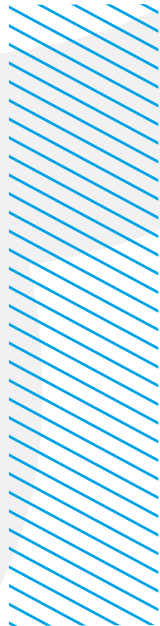

This program will be solely on theories in art and design, dealing mostly with the study of visual images and cultural management. Covering cultural studies, art history, critical theory, philosophy, and anthropology, this area of discipline brings forth the theoretical aspects in art and design.

Duration: 6 Semesters (3 years)

POSTGRADUATE STUDIES

Our Masters and Ph.D. degrees are open to anyone who can satisfy the entry requirements. Individuals who would like to develop their research skills to a higher standard, whether they are using humanities-based research approaches or scientific research methods, are particularly encouraged to apply. The Master by Coursework programs are module-based programs and are offered both full-time and part-time mode. Students are subjected to certain credit requirements, viva voce and thesis submission upon graduation. The Masters by Research and Ph.D. are offered both full-time and part-time, and given the emphasis placed on independent research; the courses are well suited to graduates looking to continue their educational journey in a flexible manner.

PROGRAMS OFFERED @CCA

MASTER PROGRAMS (RESEARCH)

Full Time: 3 Semesters (1½ years)

Part Time: 4 to 8 Semesters (2 to 4 years)

College of Creative Arts, UiTM Shah Alam, Selangor

All postgraduate research candidates are required to attend the Research Seminar course organized by the Institute of Graduate Studies (IGS). Upon fulfilling these requirements, candidates will defend their proposal at IGS, before submitting a written thesis for examination at the end of their studies.

CAAD750 | Master of Art and Design (by Research)

This program is a research-based program that focuses on research and thesis writing. Throughout the study, students will be guided by an appointed advisor chosen from among the academic staff of the College of Creative Arts based on his or her field of expertise in relation to the student's research topic. Areas of study include aspects of art and design, ranging from historical, cultural, design thinking, and technological advancement.

CAFF750 | Master of Artistic and Creative Technology (by Research)

This research-based program is an independent learning program that sets students to define their own set of research questions in conversation with their supervisory team. Areas of specialism include aspects of creative industries, ranging from legal and copyright issues to funding and policy; theatre, drama, and performance; film, animation, and digital arts; and, creative writing and literary studies, among others.

CAMU750 | Master of Music (by Research)

This program is conducted by research mode under the supervision of lecturers from the UiTM Faculty of Music in the various fields of music education, composition, performance, and musicology. The duration of study is 1½ years for full-time candidates and 2 to 4 years for part-time candidates. All postgraduate research candidates are required to attend the Research Seminar course organized by the UiTM Institute of Graduate Studies. At the end of the program and upon fulfilling all requirements, candidates will submit a written thesis for examination.

MASTER PROGRAMS (COURSEWORK)

Full Time: 3 Semesters (1½ years)

Part Time: 4 to 8 Semesters (2 to 4 years)

College of Creative Arts, UiTM Shah Alam, Selangor

CAAD701 | Master of Art History and Cultural Management
